## About us.

We believe that interior design should transcend through time and yet remain relevant, thoughtful and fresh. We take pride in going further and thinking deeper. With cutting- edge creativity, innovation, finish, texture, balanced design, our creative experts set uncompromising standards which is evident for our clients. We have successfully completed a diverse range of projects across the UAE involving retails, residential, corporates, hospitality, theme parks and luxury homes. Above all, we love designing spaces that speak for themselves while withstanding time.

# 07

## Our vision.

To be the most trusted and admired brand in every industry we operate in.

### Strategic Themes.

Building a niche market for our design, joinery and fit out solutions.

Partnering with clients for their project management needs.

Investing in technology to operate at world class standards.

Responsible consumption & production practices.

Attracting & nurturing diverse world class talent.

Creating sustainable value for our shareholders.

# 09

## Our values.

### ACCURACY

We are obsessed about perfection, due diligence, and delivering quality products.

### RELIABILITY

We plan well, hold ourselves accountable and ensure things get done efficiently and on time.

### CLARITY

We deliberately over-communicate to avoid misunderstandings, challenging each other fearlessly to deliver what we commit to.

### HONESTY

We trust each other, act with integrity and transparently communicate with all our stakeholders.

### EMPATHY

We seek out opportunities to listen, understand and learn from our customers, vendors and each-other to continuously improve our services and products.

### RESULTS

We overachieve, seize opportunities quickly and rigorously research ways to create sustainable value for the business.

“

Interior design is fundamentally about what you feel when you first walk into a space. That is why we have UAE's top interior designers who are passionate about creating beautiful and functional spaces specifically for you.

## We create inspiring experiences.

Kandas core business lies in creating sophisticated interiors. At our core, we believe that every client brief is a story and the spaces we design - the vehicle to bring them to life. We think of this process as good design – we apply it to every aspect of our product offerings; commercial, residential, hospitality and retail spaces. We're excited about what's happening in the design world and thrilled to be a part of setting the agenda. We craft unique and elegant design concept interiors that are intelligent, dynamic and infused with passion and creativity. Our talented, friendly, approachable design consultants are absolutely committed to achieving the best design solution possible for any given project from commercial to residential buildings.

**60,000** sq. ft  
world-class joinery  
manufacturing unit

**\*  
State of the art joinery  
manufacturing unit.**

Our state-of-the-art 60,000 sq. ft manufacturing facility based in DIC is equipped with the uber modern woodworking equipment & spraying technology. We are a one stop shop for all your fit-out, joinery and MEP needs. The core of our success lies within the people of Kandas who can be relied upon to always deliver our values. Moreover, our commitment to delivering inspirational designs and quality service has earned us an ever-increasing database of repeat customers.

## Remarkable retail experience.

Kandas dedicated design team are experts at understanding and developing truly creative retail interiors and shop designs that works perfectly for both the brand and the end user. Methodical in approach, our interior design service offers full turn-key options from concept development to manufacturing.

## \* True design for living.

We have truly established ourselves within the residential interior business with our unique body of work and robust ethics infused with passion and creativity. Our design team provides the highest level of bespoke turn-key solutions. Hand in hand, this has led to unprecedented success for agents, developers and longstanding repeat private clients.

## Game changers in workspace.

Planning an office space depends on guidance from an experienced partner. At Kandas, Office Interior Design is our specialty and the thing we are most passionate about. We provide a wide range of high quality, durable and attractive office furniture to suit any office environment. We bring together interior and workplace design to create efficient and imaginative offices that captures the spirit of your business.

## Bringing vision to life.

Specialists in design for the world of food and drink, we partner with independent owners, operators and chefs. Kandas uses a multidisciplinary approach to deliver complete guest experiences. We work holistically with its partners from various backgrounds to deliver experiences that connect with guests in a meaningful way, because thinking differently means doing differently.

## Creating exceptional stories.

A characteristic signature of Kandas is welcoming interior with comfort. No wonder we are the expert in interior design for the hospitality industry. We know that the true beauty of a scheme is in its commercial success. That's why we always start by seeing your vision through your customers eyes. Apart from this, Kandas is also the ideal partner for renovations and hotel furnishings.

## The art of attraction

Theme parks are beautifully complex systems of storytelling, attractions, and human behavior. We can proudly speak volumes in how our design accolades enabled us to work with the world-renowned brand Warner Brothers Inc. We took this challenging opportunity to collaborate with them and induced our expertise to deliver a truly unique creation inside this theme park.
